代运营全渠道AI拓客引流到WhatsApp的意向客户（客户询盘展示）

The image displays three screenshots of WhatsApp conversations, illustrating the AI-driven lead generation and customer inquiry process for a cellulose factory.

Screenshot 1 (Left): A conversation with a customer from Saudi Arabia. The customer asks if the exchange rate has changed. The bot responds with a shipping cost message, a thumbs-up emoji, and an offer to send free samples to the customer's forwarder in China. The customer then asks if the company is coming to China.

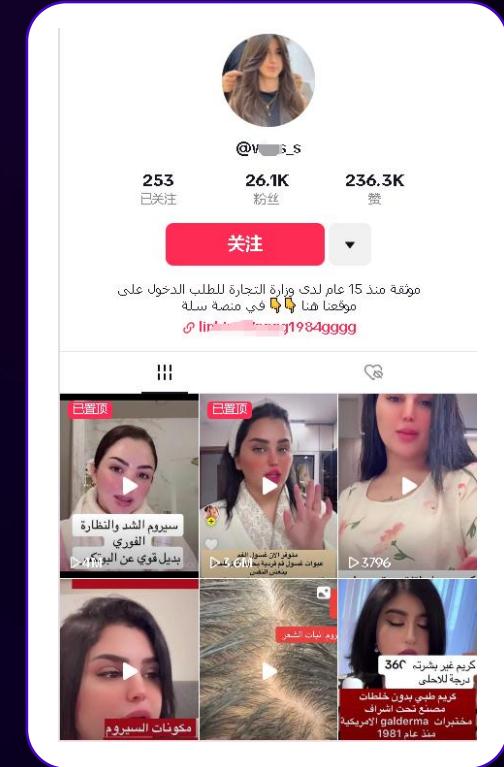

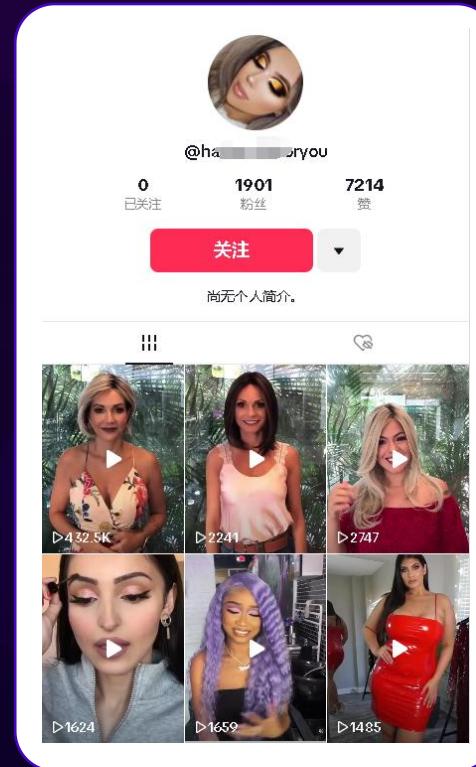

Screenshot 2 (Middle): A conversation with a customer from India. The customer asks if the company has industrial-grade HPMC. The bot responds with a 'Good' emoji and a welcome message to China.

Screenshot 3 (Right): A conversation with a customer from Nigeria. The customer asks if HPMC is the material they will use. The bot responds with a message asking where the customer purchased it before.

Common Elements:

- WhatsApp Business Profile:** The screenshots show a WhatsApp Business profile with a green checkmark and a blue background.
- Search Bar:** Each screenshot has a search bar at the top.
- Message List:** Each screenshot shows a list of messages from other users and the WhatsApp Business profile.
- Icons:** Various icons for messaging, calling, and sharing are visible on the left side of the interface.
